

AIG Cyber Loss Control Services

for Small Businesses

Despite a company's best efforts to protect itself from a cyber attack through its own IT department, it may not be enough in today's rapidly changing cyber environment. As part of AIG's Cyber Resiliency Program, eligible insureds with annual CyberEdge® policy premiums of \$899 and less receive a wide range of tools and services to help proactively prevent a cyber incident.

Cybersecurity Information Portal

24/7 online access to current cybersecurity information including best practices checklists, claims data, and a breach calculator.

American International Group, Inc. (AIG) is a leading global insurance organization. AIG member companies provide insurance solutions that help businesses and individuals in approximately 70 countries and jurisdictions protect their assets and manage risks. For additional information, visit www.aig.com. AIG common stock is listed on the New York Stock Exchange. AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
