AIG

Technology

We were one of the first Professional Liability providers to develop a specific product for the Technology sector. We have traditionally targeted what would be considered as the larger firm, however, we have developed solutions for smaller risks, including sole practitioners. Our experience and track record affords us with significant understanding and provides a comfort factor for Technology and Telecommunications businesses. We have the ability to use significant levels of capacity on any single risk.

Cover

- Claims Made
- Any One Claim
- Breach of Duty including:
 - Negligent Act
 - Negligent Error
 - Negligent Omission
 - Misstatement
 - Misrepresentation
 - Breach of Confidentiality
