

Umbrella Prime® (05/06 Edition)

Overview

AIG Excess Casualty's Umbrella Prime® is a commercial umbrella policy, which provides top-rated, worldwide coverage with:

- The industry's highest available limits—up to \$50 million
- Responsive, expert underwriting provided locally through AIG Excess Casualty's nationwide network and international offices
- Access to the unparalleled resources and relationships of AIG Excess Casualty's claims department, including leading defense attorneys and other litigation experts

AIG Excess Casualty is launching an improved edition of Umbrella Prime beginning with policies effective August 1, 2007. The updated Umbrella Prime, Form 80517 (05/06 Edition) has been revised to incorporate three mandatory endorsements and three changes that ISO made on the 2004 GL form.

Product Enhancement Highlights

- ◆ Mandatory endorsements have been incorporated and no longer need to be attached:
 - 83864 (02/04)—Miscellaneous Changes Endorsement
 - 87068 (11/04)—Economic or Trade Sanctions Conditions Endorsement (OFAC)
 - 87241 (12/04)—Violation of Communication or Information Law Exclusion Endorsement
- ◆ The following ISO changes from the 2004 GL form have also been incorporated:
 - ISO Mobile Equipment Definition
 - ISO Electronic Data Exclusion
 - ISO Pollution Exclusion
- ◆ Claims Address—Information now includes fax number and email address
- ◆ Contractual Liability—The words "and prior to the termination" were deleted

- ◆ Approved in all jurisdictions where Umbrella Prime (10/04 Edition) is approved (Not approved in Alaska, Florida, Louisiana, New York, Vermont, Virginia and Washington. Umbrella Prime (05/06 Edition) may be used in the New York Free Trade Zone)
- ◆ Includes CrisisResponse® Coverage that gives insureds access to funds to assist when managing a crisis

Submission Requirements

- ◆ Any completed and signed commercial umbrella application is accepted
- ◆ Primary insurers must have A.M. Best rating A- VII or better, or be a qualified Self Insurer
- ◆ Minimum 5 years currently valued loss experience
