For value received and hereby acknowledged, I hereby transfer, assign, and convey absolutely to the "New Owner" all incidents of ownership and control, and all right, title and interest in and to the policy numbers reference above (including all Supplementary Agreements or Riders attached thereto). It is understood by the undersigned that if the subject life policy was issued when the insured was a juvenile, this assignment may be subject to policy provisions, if any, which designate the insured as owner upon the attainment of a specified age.

The Policy Owner(s) warrants that the above-referenced policy is not subject to any prior agreements, contractual obligations, including but not limited to collateral assignments or liens, legal proceedings or court/administrative orders, including but not limited to divorce or bankruptcy proceedings ("Obligations"), which restrict, limit or otherwise prohibit such assignments as contemplated. The Policy Owner(s) acknowledges and agrees that in the event any obligations become known subsequent to the above-referenced assignment being made, which if then-known to the Company, would have caused the Company not to assign the policy (or not to assign the policy without the consent of a party other than the Policy Owner(s)), the assignment will be void and the Policy Owner(s) shall indemnify.

You and the Internal Revenue Service will be provided with an informational tax form after the close of the calendar year. A withdrawal of any type, before age 59 1/2, may subject you to an IRS penalty tax.

Instructions and Conditions

Section A - Policy Information

Complete all policy information in this section. You may use this form for multiple policies that have the same policyowner and require the same signatures.

Section B - New Owner(s)

This Request is made subject to the terms and conditions of the Policy, and shall not result in a change in any provision of the Policy, except as expressly provided in this Request.

The Owner may transfer the ownership and control of the Policy to a new owner, but such change shall not be effective until approved by the Service Center. If the Owner predeceases the Insured/Annuitant, then the rights of such deceased Owner shall pass to the contingent owner if one is named. If a contingent owner is not named, the rights will pass to the Administrator/Executor of such deceased Owner.

This Request for Change of Ownership does not change the beneficiary as a death claim under the Policy. Any payment which becomes due under the Policy during the lifetime of the Insured/Annuitant shall be made to the Owner with the exception that any provision which now expressly provides for payment to the Insured/Annuitant as a life income or annuity shall not be available to the Owner, unless the Owner is the Insured/Annuitant.

This Request is subject to any existing assignment of record with the company which issued the Policy ("the Company").

Trustee Owner

If a trustee is designated as a new owner, the date and legal title of the trust must be stated and all trustee signatures are required in Section E as instructed by the Certification of Trust.

Contingent Owner

A contingent owner may be designated, and will be effective only if the new owner is a natural person (not a corporation, partnership or a trust), and the owner, or all designated owners (if more than one), predecease the Insured. A contingent owner may not be designated on an annuity policy. Contingent owners may only be designated on some policies; please check policy provisions.

Section C - Beneficiary Designations

Unless otherwise provided, the right to change the beneficiary is reserved to the owner. Such change will be without prejudice to the company which issued the Policy ("the Company") on account of any payment made or action taken by it before receipt of such notice at its Service Center.

Please select the Insureds/Annuitants for which the designation will take effect.

This designation, when filed with the Company, will become effective as of its date of execution. Such execution will constitute a waiver of any policy provision(s) requiring endorsement of change of beneficiary. All designations are subject to the terms and conditions of the Policy, any indebtedness to the Company and any collateral assignment of the policy, whether made prior to or subsequent to the date of this designation.

The Company is released from all liability by making payment in accordance with this designation and assumes no responsibility for the use of money by any Trustee named herein. If a Trustee is named as the beneficiary, the date and legal title of the Trust must also be included.

The death proceeds shall be payable in equal shares to the designated beneficiaries, unless otherwise indicated. If beneficiaries are to receive unequal portions of the death benefit, it must be shown as a percentage of the death benefit and not as specific dollar amounts. In the event no beneficiary survives the insured and this form or the Policy does not provide otherwise, the proceeds will be paid to the policyowner, or the executors or administrators of the policyowner's estate.
