

North America Accident & Health Insurance: Specialty Markets

The AIG Advantage

Expertise

AIG offers customized Accident and Health coverage solutions to help address the inherent risk of injuries that may come about during various activities.

With over 50 years of experience in Accident and Health, AIG is able to underwrite traditional and non-traditional accounts.

Claims

Dedicated customer service and claims staff experienced in handling both simple and complex claims.

Exceptional level of specialty expertise with innovative products such as Passenger Accident Coverage, Blanket Occupational Accident Insurance and Egg Donor Coverage.

AIG Travel

AIG wholly owns AIG Travel, a provider of travel assistance services worldwide. Because travel assistance services can be embedded with the Specialty accident insurance programs offered, clients have access to end-to-end coverage. In the event of a medical emergency or unexpected travel problem, they are never more than a phone call away from our global state-of-the-art service centers operating 24/7.

What is Participant Accident and Group Travel?

Providing coverage for members of organizations participating in policyholder sponsored and supervised activities or traveling abroad.

24/7 Travel Assistance, including: medical assistance, security assistance, worldwide information, concierge services and identity theft assistance (where available).

Accident insurance can complement an organization's general liability policy by filling in gaps that may exist, and/or by offering broader limits.

Why AIG

Challenge

Solution

Benefit

Problem Solvers

Two new Education market clients were looking for intercollegiate sports accident coverage.

AIG provided coverage with tailored solutions, priced appropriately.

AIG provided the client with the needed coverage and expanded its portfolio in a key specialty area.

Creative Solutions

Three colleges and universities sought intercollegiate sports accident coverage.

AIG worked side by side with a long-time Education market partner to provide intercollegiate sports accident coverage to all three colleges and universities.

The Education market partner was satisfied with AIG's handling of this win and look to continue to grow this partnership.

Claims Expertise

A high school football player suffered a catastrophic injury during a school-sponsored event, resulting in paraplegia. The excess Accident and Health policy from AIG has a 5-year benefit period, which helps with out-of-pocket expenses not covered under the primary policy. The family appreciates the high-level service received from the claim adjuster and the payment of some medical bills.

The scenarios described herein are offered only as examples. Coverage depends on the actual facts of each case and the terms, conditions and exclusions of each individual policy. Anyone interested in the above product(s) should request a copy of the standard form of policy for a description of the scope and limitations of coverage. This is only a brief description of the coverage(s) available. The Policy will contain reductions, limitations, exclusions, and termination provisions. Full details of the coverage are contained in the Policy. Insurance is underwritten by National Union Fire Insurance Company of Pittsburgh, Pa., a Pennsylvania insurance company with its principal place of business at 1271 Ave of the Americas, Floor 41, New York, NY 10020-1304. It is currently authorized to transact business in all states and the District of Columbia. NAIC No. 19445. If there are any conflicts between this document and the Policy, the Policy shall govern in all cases. Coverage may not be available in all states. AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all states or countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties.
