## Why AIG

Risk and Safety Expertise	Pre-Injury Consulting Services	Superior Claims Service
<p><b>ISSUE</b> An airport with a 24-hour on-the-ground workforce was struggling to build a process for after-hours emergency medical care.</p> <p><b>SOLUTION</b> AIG's loss control consultants collaborated with the client's onsite nurse and a local network hospital to establish customized protocols for easy access to the Emergency Department for after-hours and emergency care.</p> <p><b>BENEFIT</b> The client's injured employees receive timely, quality healthcare services at any hour.</p>	<p><b>ISSUE</b> An aerospace client learned that its injured employees were remaining on disability longer than average, resulting in higher claims costs.</p> <p><b>SOLUTION</b> AIG's pre-injury consultants worked with the client to create a program that allowed employees to return to work sooner without sacrificing their well-being or on-going medical care.</p> <p><b>BENEFIT</b> With an improved return to work program in place, the client reduced the average length of employee absence by 3.6 weeks.</p>	<p><b>ISSUE</b> An aerospace company sought a carrier capable of providing access to its real-time workers' compensation claims data.</p> <p><b>SOLUTION</b> AIG's IntelliRisk® provided detailed, real-time claim information and automated reporting, allowing the client to monitor claims trends and address recurring events.</p> <p><b>BENEFIT</b> The client was able to perform in-depth analysis to manage its risk more effectively via IntelliRisk.</p>
<p><b>WHY IS THIS IMPORTANT?</b> AIG helps ensure injured employees receive timely medical care.</p>	<p><b>WHY IS THIS IMPORTANT?</b> AIG's pre-injury consultants help clients reduce employee downtime and total cost of claims.</p>	<p><b>WHY IS THIS IMPORTANT?</b> AIG's technologies help clients analyze claims trends and better manage risks.</p>

## What is AIG Aerospace Workers' Compensation (AWC)?

- Workers' compensation coverage for various types of aviation-related exposures utilizing guaranteed cost, large deductible, and retrospective rating plans.
- Can be paired with AIG's innovative aerospace insurance products for seamless integration of aviation insurance solutions.

The scenarios described herein are offered only as examples. Coverage depends on the actual facts of each case and the terms, conditions and exclusions of each individual policy. Anyone interested in the above product(s) should request a copy of the standard form of policy for a description of the scope and limitations of coverage.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at [www.aig.com](http://www.aig.com). All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
