Why AIG

Expertise Matters	Customized Solutions	Claims Expertise
<p>ISSUE Recent claims trends indicated a client may have heightened D&O exposures that its current insurer would not cover.</p> <p>SOLUTION With our deep understanding of the client's risk profile and 40+ years of claims expertise, AIG tailored an innovative primary D&O program that addressed the client's evolving exposures.</p> <p>BENEFIT The client is assured it has a sustainable coverage program to address future risks with a long term insurer partner.</p>	<p>ISSUE The purchase and sale agreement for a public company going private required the same insurer to provide management liability coverages throughout a complex transaction.</p> <p>SOLUTION As one of the incumbents, AIG quickly provided a seamless solution that solved pre-transaction coverage needs while the company was still public and transitioned coverage to the private company's primary D&O layer, addressing this unique situation.</p> <p>BENEFIT The client experienced a smooth transaction while maintaining the insurance coverages required.</p>	<p>ISSUE A major news publication did an exposé of disparate treatment of employees based on gender and race at a publicly traded client company. Soon there were protests, shareholders filed Securities Class Action and Derivative litigation, and the SEC was alerted.</p> <p>SOLUTION AIG quickly coordinated its claims response, which helped the client secure expert securities counsel to address the initial multi-faceted litigation.</p> <p>BENEFIT The client was prepared to address the securities class action with an innovative litigation strategy.</p>
<p>WHY IS THIS IMPORTANT? Deep experience, market knowledge, and client insights enable AIG to address clients' management liability coverage needs.</p>	<p>WHY IS THIS IMPORTANT? Working with clients and brokers, AIG creates responsive management liability solutions to complex challenges.</p>	<p>WHY IS THIS IMPORTANT? AIG partners with leading national law firms to assist clients with innovative litigation strategies and enable more efficient claim outcomes.</p>

What is AIG Public Management Liability?

AIG's Public Management Liability insurance helps protect public companies and their directors, officers, and board members from a wide range of executive-level, corporate governance-related exposures. It provides clients with:

- Coverage that extends from personal assets to company assets, and helps leaders focus on achieving success.
- Dedicated underwriting, loss prevention, and claims services around the world.
- Comprehensive insights from claims and risk management professionals to help mitigate traditional and emerging risks.

The scenarios described herein are offered only as examples. Coverage depends on the actual facts of each case and the terms, conditions and exclusions of each individual policy. Anyone interested in the above product(s) should request a copy of the standard form of policy for a description of the scope and limitations of coverage.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
