

Fronting and Captive Services

Our Fronting and Captive Services team is a single point of contact that puts the expertise of AIG to work for you. Our programs often utilize the full range of global capabilities of AIG, a world leading property-casualty and general insurance organization serving more than 70 million clients around the world. With one of the industry's most extensive ranges of products and services, deep claims expertise, and excellent financial strength, AIG enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

What Is Fronting and Captive Services?

Fronting and Captive Services helps companies address traditional and non-traditional exposures by providing highly customized fronting programs that apply insurance and/or capital market strategies. In addition, we provide captive management and advisory services regarding the feasibility, formation and management of captives, and offer cell captive facilities. We develop innovative, customized programs to help clients mitigate their challenging risks.

Our programs provide solutions for clients facing a variety of challenges including, but not limited to:

- Requiring evidence of insurance for regulatory, disclosure, financing, marketing, trading, or counterparty needs
- Facing a specific problem for which there is no clear or viable risk transfer solution
- Seeking greater certainty and flexibility on coverage and premium through varying market cycles
- Confronting significantly increased retentions or premiums
- Challenged with high attachment points due to poor loss experience or market conditions
- Experiencing restricted coverage due to adverse industry claim trends
- Encountering a situation where current market conditions or shifting underwriting capacity are limiting availability of risk transfer
- Experiencing an above average risk profile that is not properly reflected in the market prices for traditional insurance
- Pursuing more efficient access to the reinsurance or excess markets
