

Cyber Appetite Guide

Offering

- Broad appetite across all industries including, but not limited to: retail, healthcare, higher education, financial institutions, manufacturers, technology, law firms, energy companies; and all legal entities: public, private, non-profit, partnerships
- All geographies: backed by AIG’s multinational, local market expertise that spans a network of over 215 countries and jurisdictions
- All revenue sizes
- Up to \$100M in available limits and no minimum retention

Coverage Keys

- Coverage broadly available for financial losses attributable to:
 - security or data breach
 - crisis management costs
 - costs to restore, recreate, or recollect electronic data
 - network interruption
 - cyber/privacy extortion
 - digital media liability
- Additional coverage may be available for tangible (physical) losses caused by a cyber event, including business interruption, first party property damage, third party bodily injury and property damage, and products/completed operations coverage
- Threat profile, business impact, and cybersecurity controls are evaluated in determining terms and conditions offered on an individual risk basis

AIG Market Differentiators

<p>Claims</p>	<ul style="list-style-type: none"> • Experienced and dedicated claims team who handle approximately five new cyber claims per business day • Underwriting and claim teams partner to ensure best possible experience for our clients • Local presence supported by global resources allowing expert claims handling around the world
<p>Innovation</p>	<ul style="list-style-type: none"> • CyberMaticsSM, AIG’s award winning, technology-driven process, can help an organization verify its cyber risk posture, prioritize implementation of controls that reduce its risk, and make better investment decisions in its overall cybersecurity program
<p>Cyber Maturity Analytics</p>	<ul style="list-style-type: none"> • Tailored analytics available on threat profile, control effectiveness, and peer benchmarking (after completing AIG’s Cyber Application) that will help clients better understand their cyber maturity and coverage; basic reports are available for applicants, even if they do not bind with AIG
<p>Cyber Risk Consulting</p>	<ul style="list-style-type: none"> • Complimentary* loss prevention tools and services representing up to \$18,000 MSRP (depending on which services a client chooses to utilize and the size of its organization), including employee eLearning, blacklist IP blocking, and more

*Clients who purchase CyberEdge and spend more than \$5,000 in premium qualify for the above services. AIG may modify (by adding, removing or replacing a tool or service) or discontinue the Services at any time. AIG may partner with third party vendors to provide any or all Services. In some instances, AIG may have a referral fee structure in place, or an ownership interest, with certain third party vendors.

American International Group, Inc. (AIG) is a leading global insurance organization. AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
