

# AIG Cyber Loss Control Services

## Tier II: CyberEdge® Premium of \$900-\$4,999

Despite a company's best efforts to protect itself from a cyber attack through its own IT department, it may not be enough in today's rapidly changing cyber environment. As part of AIG's Cyber Resiliency Program, insureds with annual CyberEdge policy premiums of \$900-\$4,999 receive a wide range of tools and services valued at up to \$8,000 to help proactively prevent a cyber incident.

### **Employee Cybersecurity eLearning and Phishing Simulations**

Timely and measurable managed employee training and compliance courses available in more than 30 languages for up to 50 employees, tailored to employee roles to reinforce clients' security policies.

[Learn more](#)

### **Security Ratings**

Clients can see how their internet security posture and network score from an "outside looking in" perspective, with easy-to-understand scoring systems. [Learn more](#)

### **Darknet Credential Exposure**

Identify domain-level cyber risks from enterprise data that is exposed on the darknet, with reports customized to the client's specific domain. [Learn more](#)

### **Ransomware Risk Assessment**

A tailored ransomware risk assessment based on the latest threat intelligence categorizes and scores key controls the client has in place that may help prevent a ransomware event.

[Learn more](#)

### **Identity Risk Assessment**

An identity risk assessment of the client's active directory infrastructure to help identify risks and exposures, with consultation by a technician to help interpret the findings and answer questions. [Learn more](#)

### **CyberMatics®**

AIG's patented technology service helps clients verify their organization's cyber risk posture, prioritize implementation of risk-reducing controls, and make better investment decisions in their cybersecurity program – with the added benefit of more tailored policy terms and conditions.

[Learn more](#)

### **Tailored Incident Response Plan**

A business incident response plan template tailored to a company's size to help ensure the client can respond appropriately, quickly, and efficiently to a cyber incident. [Learn more](#)

### **Cybersecurity Information Portal**

24/7 online access to current cybersecurity information including best practices checklists, claims data, and a breach calculator. [Learn more](#)

### **CyberEdge Communications Platform**

Powered by Cygnvs, the platform enables off-network collaboration to efficiently manage incident response and reporting of a cyber claim to AIG. [Learn more](#)

### **AIG Claims Process Orientation**

A one-on-one review of critical response and reporting steps a client should take in the event of a cyber incident. [Learn more](#)

### **Cyber Claims Hotline**

Once a call is made to the 24/7 hotline at 1-800-CYBR-345 (1-800-292-7345), the CyberEdge Claims Team coordinates with the client to implement their response plan, engage any necessary vendors to identify immediate threats, and start the restoration and recovery processes.

The policyholder is under no obligation to utilize any of the services that AIG makes available. AIG may modify (by adding, removing, or replacing a tool or service) or discontinue the availability of the services at any time. AIG may partner with third party vendors to provide any or all services. In some instances, AIG may have an ownership interest in certain third party vendors. AIG does not endorse, and assumes no liability arising out of, the services provided by any third party vendor. No warranty, guarantee, or representation, either expressed or implied, is made as to the correctness or sufficiency of any such service. It is at the sole and absolute discretion of the policyholder whether or not to utilize the available services, including any such services provided by any third party vendor. If the policyholder elects to utilize such services, the policyholder shall enter into a vendor relationship directly with the third party vendor. The policyholder may be entitled to a free demo and/or may be charged a fee by the third party vendor for such services. Any discount provided by the third party vendor may only be available while the policyholder has an in-force cyber policy with AIG. The policyholder shall be responsible for any such payments to the third party vendor and may be required to enter into a service agreement directly with the vendor.

American International Group, Inc. (NYSE: AIG) is a leading global insurance organization. AIG provides insurance solutions that help businesses and individuals in approximately 190 countries and jurisdictions protect their assets and manage risks through AIG operations and network partners. For additional information, visit [www.aig.com](http://www.aig.com). This website with additional information about AIG has been provided as a convenience, and the information contained on such website is not incorporated by reference herein.

AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
