Upon payment of **Claim Expenses** equaling this total, **Claim Expenses** are included with the definition of **Loss**, and are subject to the Deductible amount and reduce the applicable limit of liability, as described in Section IV. **LIMITS OF LIABILITY AND DEDUCTIBLE**.

The Company shall not be obligated to defend or continue to defend any **Claim** after the applicable Limit of Liability has been exhausted by payment of **Loss**.

The Company will present any monetary settlement offers to the **Insured**, and if the **Insured** refuses to consent to any monetary settlement within the limits of liability of this Policy recommended by the Company and acceptable to the claimant, the Company's duty to defend the **Insured** shall then cease and the **Insured** shall thereafter negotiate or defend such **Claim** independently of the Company and the Company's liability shall not exceed the amount, less the Deductible or any outstanding Deductible balance, for which the **Claim** could have been settled if such recommendation was consented to.

Notice of a **Crisis Management Event** may be given by calling 1-877-244-3100. If notice is given by telephone, written notice will be given as soon as practicable thereafter. Written notice should include:

If the **Insured** chooses to retain a firm that does not appear in the Schedule attached to and forming a part of this Policy, the **Insured** must obtain the Company's consent, which shall remain in the Company's sole discretion, prior to retaining the services of such firm.
7. Any payments for **Crisis Management Loss** or advancement of **CrisisResponse® Costs** that the Company makes under this Policy:
- (a) Shall not be deemed to be a determination of the insured's liability with respect to any **Claim** or **Loss** under the Policy; and
 - (b) Shall not create any duty to defend any **Claim** or to investigate any **Claim** or **Pollution Conditions** arising from a **Crisis Management Event**, nor any coverage obligations under this Policy.
8. If the Crisis Management Insurance provided by this Policy and any other insurance issued to the **Named Insured** by the Company or any of its affiliated companies shall apply to the same crisis the maximum limit of insurance under all insurance available shall not exceed the highest applicable limit of insurance available under any one policy or endorsement.
9. In the event of a dispute between the **Insured** and the Company as to whether a **Crisis Management Event** has occurred, the **Insured** may, at its own cost, retain the services of an approved **Crisis Management Firm** and/or advance **CrisisResponse® Costs**. Provided, however, if the **Insured** elects to retain an approved **Crisis Management Firm** or to advance **CrisisResponse® Costs**, the Company shall have no obligation to reimburse the **Insured** under this Policy for such

costs or expenses. The right to reimbursement shall be arbitrated pursuant to the rules of the American Arbitration Association in New York, New York or in the state indicated in Item 1. of the Declarations of this Policy as the address of the **Named Insured**.

B. RIGHTS OF THE COMPANY

The Company shall have the right but not the duty to participate in decisions regarding **Clean-Up Costs** and to assume direct control over all aspects of the cleanup and the adjustment of any **Claim** or **Emergency Response Costs** up to the Limit of Liability. In case the Company exercise of this right, the **Insured**, on demand of the Company, shall promptly reimburse the Company for any element of **Loss** falling within the **Insured's** deductible.

C. REPORTING OF A POSSIBLE CLAIM

1. If during the **Policy Period**, the **Insured** first becomes aware of a **Possible Claim**, the **Insured** may provide written notice to the Company during the **Policy Period** containing all the information required under Paragraph 2. below. Any **Possible Claim** which subsequently becomes a **Claim** made against the **Insured** and reported to the Company within five (5) years after the end of the **Policy Period** of this Policy or any continuous, uninterrupted renewal thereof, shall be deemed to have been first made and reported during the **Policy Period** of this Policy. Such **Claim** shall be subject to the terms, conditions and limits of coverage of the policy under which the **Possible Claim** was reported.
2. It is a condition precedent to the coverage afforded by this Section III. C. that written notice under Paragraph 1. above contain all of the following information: (a) the cause of the **Pollution Conditions**; (b) the job site or other location where the **Pollution Conditions** took place; (c) the **Bodily Injury, Property Damage** or **Environmental Damage** which has resulted or may result from such **Pollution Conditions**; (d) the **Insured(s)** which may be subject to the **Claim** and any potential claimant(s); (e) all engineering information available on the **Pollution Conditions** and any other information that the Company deems reasonably necessary; and (f) the circumstances by which and the date the **Insured** first became aware of the **Possible Claim**.

D. MEDIATION

If the **Named Insured** and the Company jointly agree to utilize **Mediation** as a means to resolve a **Claim** made against the **Insured**, and if such **Claim** is resolved as a direct result of the **Mediation**, the **Named Insured's** deductible obligation shall be reduced by 50% subject to a maximum reduction of \$25,000. The Company shall reimburse the **Named Insured** for any such reimbursable deductible payment made prior to the **Mediation** as soon as practicable after the conclusion of the **Mediation**.

IV. LIMITS OF LIABILITY AND DEDUCTIBLE

Regardless of the number of **Claims**, claimants, **Pollution Conditions** or **Insureds** under this Policy, the following limits of liability apply:

A. LIMITS OF LIABILITY - AGGREGATE

The Company's total liability for all **Loss** shall not exceed the "Aggregate" stated in Item 3. of the Declarations.

Once the "Aggregate" Limit of Liability has been exhausted, the Company shall not defend any **Claim**, or pay **Loss**.

Further, the Company's total liability for all **CrisisResponse® Costs** and/or **Crisis Management Loss** shall not exceed \$250,000 combined, regardless of the number of **Crisis Management Events** first commencing during the **Policy Period**. The Company will have no obligation to advance **CrisisResponse® Costs** or to pay **Crisis Management Loss** from the earliest of the time when the Company determines that a **Crisis Management Event** has ended or when this \$250,000 limit of liability has been exhausted. **CrisisResponse® Costs** and/or **Crisis Management Loss** shall not be included as **Loss** and do not reduce the available "Aggregate" Limit of Liability.

B. LIMITS OF LIABILITY - EACH LOSS

Solely with respect to Coverage A, and subject to Paragraph **A. LIMITS OF LIABILITY – AGGREGATE** above, the "Each Loss" Limit stated in Item 3. of the Declarations is the most the Company will pay for all **Loss** arising out of any one **Pollution Condition** or the same, related or continuous **Pollution Conditions**.

Solely with respect to Coverage B, and subject to Paragraph **A. LIMITS OF LIABILITY – AGGREGATE** above, the most the Company will pay for all **Loss** arising out of any one **Pollution Condition** or the same, related or continuous **Pollution Conditions** is the "Each Loss" Limit stated in Item 3. of the Declarations.

Once the "Each Loss" Limit of Liability has been exhausted, the Company shall not be obligated to defend or continue to defend any **Claim**, or pay **Loss** for any **Claim**.

C. LIMITS OF LIABILITY – PRE-CLAIM EXPENSES

Solely with respect to Coverage C, in addition to the applicable limit of liability and not subject to the deductible, the most the Company shall pay for **Pre-Claim Expenses** is \$10,000 in total. Any additional **Pre-Claim Expenses** above \$10,000 may be paid by the Company at its sole discretion. In the event a **Pre-Claim Circumstance** becomes a **Claim**, the full deductible shall be applied to any **Loss** arising from such **Claim**.

D. DEDUCTIBLE - EACH LOSS

Except with respect to Coverages C and D, the "Each Loss" deductible stated in Item 4. of the Declarations applies to all **Loss** arising out of any one **Pollution Condition** or out of the same, related or continuous **Pollution Conditions**. The deductible shall be paid by the **Named Insured** and remain uninsured. The Limits of Liability shall apply in excess of the deductible.

The Company may advance payment of part or all of the deductible amount and, upon notification of such payment made, the **Named Insured** shall promptly reimburse the Company for the deductible amounts advanced by the Company.

Solely with respect to Coverage C, a deductible amount does not apply.

Solely with respect to Coverage D, this Policy is to pay covered **CrisisResponse® Costs** and/or **Crisis Management Loss** in excess of the following Deductible amount: \$25,000, up to but not exceeding the limits set forth in Paragraph A. above; provided that payment of Deductible amounts for **CrisisResponse® Costs** and/or **Crisis Management Loss** shall erode the Deductible amount applicable to that particular **Loss** arising out of the same, related or continuous **Pollution Conditions** for all other Coverages under this Policy.

The **Insured** shall promptly reimburse the Company for advancing any element of **Loss** falling within the Deductible.

PIER RESPONSE DEDUCTIBLE REDUCTION

If the **Named Insured** utilizes a **PIER Network Provider** in response to an incident which results in **Emergency Response Costs** covered under the Policy, and such **Emergency Response Costs** are incurred by a **PIER Network Provider**, the **Named Insured's** Deductible obligation shall be reduced by 50% subject to a maximum reduction of \$25,000, and such reduced Deductible amount shall apply among all the coverage sections applicable to the **Loss** arising out of any one **Pollution Condition** or arising out of the same, related or continuous **Pollution Conditions**. In order for this Deductible reduction to apply, the **Named Insured** must provide proof of use of a **PIER Network Provider** including, at a minimum, a copy of the executed written contract between the **PIER Network Provider** and the **Named Insured** and a copy of the invoice(s) for such services which have been rendered under the aforementioned executed written contract in response to **Emergency Response Costs**. This provision does not alter the **Insured's** reporting obligations under Section III. of the Policy.

In the event that **Loss** arising out of any one **Pollution Condition** or arising out of the same, related or continuous **Pollution Conditions** is subject to more than one reduced deductible provision under this Policy, only the highest deductible reduction among all such provisions will apply.

E. MULTIPLE CLAIMS

If the **Insured** first notifies the Company of a **Claim** or **Emergency Response Costs** during the **Policy Period** in accordance with Section III., then all **Claims** or **Emergency Response Costs** arising out of the same, continuous or related **Pollution Conditions** that are reported to the Company under any subsequent Contractors Pollution Liability Policy(ies) shall be deemed to have been first reported to the Company during the **Policy Period**.

V. CONDITIONS

A. HOW OTHER INSURANCE APPLIES

Where other insurance may be available for **Loss** covered under this Policy, the **Insured** shall promptly upon request of the Company provide the Company with copies of all such policies. If other valid and collectible insurance is available to the **Insured** for **Loss** covered by this Policy, the Company's obligations are limited as follows:

1. Except as set forth in Subparagraph 3. below, this insurance is primary, and the Company's obligations are not affected unless any of the other insurance is also primary. In that case, the Company will share with all such other insurance by the method described in Paragraph 2. below.
2. If all of the other insurance permits contribution by equal shares, the Company will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, the Company will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
3. This insurance is excess where: the **Named Insured** is an insured under another Contractor's Pollution Liability insurance policy, issued by the Company or by an affiliate of the Company, applying to or purporting to apply to a project, where **Covered Operations** are performed by or on behalf of the **Named Insured** in connection with such project. To the extent that a **Claim**, or part thereof, is not covered by any such Contractor's Pollution Liability insurance policy, this Policy

shall be primary and non-contributory with respect to such **Claim** or part thereof. Further, the "Each Loss" deductible under this policy shall be satisfied by the deductible and/or limits of liability paid under such Contractor's Pollution Liability insurance for **Loss** which is also covered by this Policy and arises out of any one **Pollution Condition** or out of the same, related or continuous **Pollution Conditions**.

The Company will pay only its share of the amount of **Loss**, if any, that exceeds the total amount of all such other valid insurance. This excess insurance shall in no way be increased or expanded as a result of the receivership, insolvency, or inability to pay of any insurer with respect to both the duty to indemnify and the duty to defend.

B. BANKRUPTCY

Bankruptcy or insolvency of the **Insured's** estate shall not relieve the Company of any of its obligations under this Policy.

C. APPLICATION

The statements in the Application are the **Named Insured's** representations and are deemed material. This Policy is issued based upon the truth and accuracy of such representations. Upon the binding of coverage, the Application shall be deemed part of this Policy. This Policy embodies all agreements existing between the **Named Insured** and the Company or any of its agents relating to this Policy.

D. ACTION AGAINST THE COMPANY

No third party action shall lie against the Company, unless as a condition precedent thereto, there shall have been full compliance with all of the terms of this Policy, nor until the amount of the **Insured's** obligation to pay shall have been finally determined either by judgment against the **Insured** after actual trial or by written agreement of the **Insured**, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this Policy to the extent of the insurance afforded by the Policy. No person or organization shall have any right under this Policy to join the Company as a party to any action against the **Insured** to determine the **Insured's** liability, nor shall the Company be impleaded by the **Insured** or his legal representative. Bankruptcy or insolvency of the **Insured** or of the **Insured's** estate shall not relieve the Company of any of its obligations hereunder.

E. CONCEALMENT OR FRAUD

If the **Insured** reports any **Claim** or **Emergency Response Costs** knowing such **Claim** or **Emergency Response Costs** to be false or fraudulent, this Policy shall become void and all insurance coverage hereunder shall be forfeited. Further, this entire Policy shall be void if, whether before or after **Emergency Response Costs** are incurred or a **Claim** is first made, the **Named Insured** has willfully concealed or misrepresented: (i) any fact or circumstance material to the granting of coverage under this Policy, or (ii) any **Insured's** operations.

F. SERVICE OF SUIT

Nothing in this condition constitutes or should be understood to constitute a waiver of the Company's rights to commence an action in any court of

competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States.
