

## eExcess Small Business Excess Liability Solutions

*Market-leading excess casualty insurance solutions for hundreds of industry classes right from your desktop.*

eExcess makes it easy for brokers to reserve, quote, bind, and issue excess casualty coverage — for hundreds of industries — 24 hours a day, seven days a week without underwriter involvement. Certain endorsements can also be processed online.

### Prime Express Highlights

AIG's Prime Express policy couples excess casualty coverage with unparalleled support and expertise to manage and mitigate claims.

- Monoline excess casualty coverage over general liability, auto liability, employer's liability, employee benefits liability, garage liability, liquor liability, and foreign liability (general liability required, all others optional)
- Coverage available for companies with revenues up to \$25 million and contractors with revenues up to \$10 million
- Limits up to \$5 million available
- Dedicated underwriters can consider most classes outside of eExcess eligible classes
- Flexible, competitive rating
- CrisisResponse® coverage included, which in the event of a casualty crisis, provides up to \$250,000 in additional limits for immediate crisis response actions and up to \$50,000 to hire an approved crisis management firm
- XSEnhanced® endorsements for real estate and restaurant accounts provide coverage expansions for discrimination, pollution, professional liability, and other hazards unique to these industries

### eExcess Platform Advantages

Brokers can place business quickly and competitively for hundreds of SIC codes. The eExcess platform also features:

- **On-Demand Policy Documents:** eDelivery, our online policy delivery system, makes issued policies and endorsements available to brokers via a secure website within 24 hours of issuance
- **On-Demand Loss Runs:** Detailed, real-time claim information and automated reporting via IntelliRisk®, enabling in-depth analysis to manage risk more effectively
- **Dedicated Support:** A team of veteran underwriters and customer service personnel assists with eExcess platform or risk questions and can underwrite more complicated risks
