Why AIG

Customized Solutions

ISSUE:

A fixed based operator sought competition to its alternative risk purchasing program, without sacrificing key coverages or incurring increased premiums.

SOLUTION:

AIG Aerospace provided a customized policy matching existing coverages with retention options to further increase savings based on the client's claims profile.

BENEFIT:

The client maintained existing coverages while reducing the total cost of risk provided by our unique program structure.

WHY IS THIS IMPORTANT?

AIG Aerospace's underwriting expertise helps clients with customized coverages and creative options.

Claims Expertise

ISSUE:

A client was traveling from the U.S. to Central America when their plane lost power and crashed. The U.S. passenger was detained by Guatemalan authorities.

SOLUTION:

After accessing our 24/7 hotline, AIG Aerospace claims adjuster promptly responded to the Guatemalan authorities' request for required information.

BENEFIT:

AIG Aerospace's rapid response enabled the release of the client and their plane, avoiding legal action in Guatemala.

WHY IS THIS IMPORTANT?

AIG Aerospace claims professionals respond to clients' needs quickly, wherever they may travel.

Global Capabilities

ISSUE:

A multinational manufacturer was expanding operations in Latin America and Asia Pacific that required locally compliant policies that its incumbent carrier could not offer.

SOLUTION:

AIG Aerospace delivered a multinational program, anchored by a U.S. master policy and supported by locally placed in-country policies.

BENEFIT:

AIG Aerospace's global capabilities enabled the manufacturer to expand its business into new regions.

WHY IS THIS IMPORTANT?

AIG Aerospace has the products and global network to support a client's existing operations and plans for future expansion.
