

Coverage and Support for Workplace Violence and Active Shooter Incidents

CrisiSolution[®] – Kidnap and Ransom Insurance

Prepare your organization for the unthinkable. Coverage, training, and support for an ever-changing terror landscape.

Workplace violence and active shooter incidents continue to rise and evolve. Comprehensive coverage paired with in-depth employee training and support is essential to ensure individuals and organizations are the utmost prepared. Insureds benefit from unparalleled consultant, public relations, and emergency travel services from NYA, a global specialist in crisis prevention and response; Abernathy McGregor, a strategic communications firm with more than 30 years' experience; and AIG travel and security assistance.

Spanning ideologies and unpredictable locations, these incidents are usually in crowded public areas and aim to create maximum panic.

They can include:

Workplace violence

Disgruntled employees, customers, guests, students, volunteers, parishioners

Hostage situation

Active shooter

Protection if the unthinkable occurs

Insureds can make certain they are prepared in the event an attack does occur. A number of post-event services and coverages are available via CrisiSolution's Assault Endorsement.

- Coverage available via the endorsement includes, but is not limited to:
 - Death or dismemberment
 - Business interruption
 - Legal liability
 - Loss of attraction
- Expenses:
 - Psychiatric and medical support
 - Public relations support
 - Increased cost of security
- Off premises cover when traveling on behalf of or at direction of the insured organization, including employees, students, volunteers, and parishioners
- No media stipulation required to trigger coverage

Training and support

Cost effective and proven strategies for small organizations to reduce the risk of incident.

Insureds can test and improve their ability to prevent and, in worst case, respond to an attack via an in-depth training and support program provided by global risk and crisis management consultancy NYA.

Training and support can include (but is not limited to) the following:

- Workshops and Services
 - Corporate Reviews
 - Security Risk/Crisis Management Policies and Plans
 - eLearning
- Ongoing Support
 - Threat Assessments including post incident support
 - Behavioral Assessments
 - Site Surveys including Security Staff SOPs
 - Emergency Management Plans
 - Incident Management Training/Simulated Incidents
