

Current market conditions present real opportunities for Risk Managers, brokers and insurers to create joint, scalable captive solutions that provide local and global benefits. AIG has a long and successful history of delivering captive fronting solutions to clients throughout the world through our dedicated, award-winning Multinational captive fronting team.

We have a proven track record of designing, implementing and servicing robust and compliant global solutions across multiple lines of business. With \$2.3bn in premium flowing to AIG-client captives each year, we are looking to partner with more Risk Managers to tailor solutions to meet their strategic captive-related objectives.

#### **Delivering Multinational Captive Solutions**
