

AIG Programs: Capabilities and Services for Program Administrators

Our goal: Partner with Program Administrators to strengthen client loyalty, expand access to distribution and products, and attract new opportunities

Underwriting Excellence

Committed to understanding and assessing risk based on decades of experience, in-depth data analysis and thoughtful interpretation. We align with our Program Administrators to support your needs and objectives.

Customized Program Solutions

No two programs are alike. That's why, we listen to you and rely on your knowledge and expertise to tailor programs to support unique exposures and growth opportunities.

Claims Account Management

Provide flexible claims handling, supported by a global network of claims specialists to provide consistency and expertise at every step.

Advanced Risk Consulting, Analytics and Marketing

Dedicated industry expertise — coupled with customized tools and resources — help improve results and drive growth in new profitable segments with customized go-to-market strategies and marketing materials.

Why AIG Programs

AIG Programs is a leading underwriter of program business in the U.S. For more than 50 years, we have worked closely with our partners to develop state-of-the-art program offerings addressing a myriad of niche markets, written on both admitted and non-admitted basis.

Together we leverage AIG's breadth of products, underwriting expertise, claims coordination, risk consulting and data analytics to help position your program to be best in class.

Partnership Advantages with AIG Programs: Underwriting Excellence

American International Group, Inc. (AIG) is a leading global insurance organization. AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions and other financial services to customers in approximately 70 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange.

Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | Twitter: [@AIGinsurance](https://twitter.com/AIGinsurance) www.twitter.com/AIGinsurance | LinkedIn: www.linkedin.com/company/aig. These references with additional information about AIG have been provided as a convenience, and the information contained on such websites is not incorporated by reference herein.

AIG is the marketing name for the worldwide property-casualty, life and retirement and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
