

Insight: Vaccine Manufacturers and Supplies Business Interruption Questionnaire

The purpose of this questionnaire is to provide a framework to help assess business interruption exposure for vaccine manufacturers and their suppliers.

1. Are there any sole-sourced raw materials in use?

Name of material and use in production

Monthly quantity used

Supplier's name and address

Reason material can only be purchased from this supplier (quality, proprietary, FDA or other regulatory restrictions)

Typical on-site inventory in days or weeks (compared to the time needed to manufacture the product)

On-site inventory of finished products that use these raw materials in days or weeks

2. Is there any single customer that purchases more than 25% of a product line?

3. Information concerning custom, foreign-made or bottleneck production equipment.

Estimated replacement/repair time in months

Approximate replacement value including installation

A list of spare major critical production equipment available

Is there any critical lab equipment in use at your facility?

4. Does this facility receive any raw materials from sister facilities?

5. Does this facility ship out any intermediate products to sister sites?

If so, what products and in what quantity?

Can the material be purchased on the "open market"?

6. Is there any on-site pollution control equipment which is critical to production?

7. Utilities used in production (electricity, steam, gasses, wastewater treatment).

Utility supplier information (for each for supplier)

What is the maximum peak demand?

What is the average demand?

Is there back-up availability?

Has a Utility Business Interruption analysis ever been done?

Any survey questions or evaluation of your responses does not imply coverage for any particular Business Interruption loss. Coverage shall be based upon the terms and conditions of your policy.

For more information, contact your local AIG Risk Engineer.

The information, suggestions and recommendations contained herein are for general informational purposes only. This information has been compiled from sources believed to be reliable. Risk Consulting Services do not address every possible loss potential, law, rule, regulation, practice or procedure. No warranty, guarantee, or representation, either expressed or implied, is made as to the correctness or sufficiency of any such service. Reliance upon, or compliance with, any recommendation in no way guarantees any result, including without limitation the fulfillment of your obligations under your insurance policy or as may otherwise be required by any laws, rules or regulations. No responsibility is assumed for the discovery and/or elimination of any hazards that could cause accidents, injury or damage. The information contained herein should not be construed as financial, accounting, tax or legal advice and does not create an attorney-client relationship.

This document is not intended to replace any recommendations from your equipment manufacturers. If you are unsure about any particular testing or maintenance procedure, please contact the manufacturer or your equipment service representative.

American International Group, Inc. (AIG) is a leading global insurance organization. AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions and other financial services to customers in approximately 70 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange.

Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | Twitter: [@AIGinsurance](https://twitter.com/AIGinsurance) www.twitter.com/AIGinsurance | LinkedIn: www.linkedin.com/company/aig. These references with additional information about AIG have been provided as a convenience, and the information contained on such websites is not incorporated by reference herein.

AIG is the marketing name for the worldwide property-casualty, life and retirement and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
